

Family Activity – making placemats

Make Family Place mats for casual meals.

Pick a central person – child, mother, father, etc. Place them in the center of a page in landscape.

Add pictures around them of interesting relatives including captions and stories . Be sure and include the relationship to the center person.

Print on 11x17 paper and laminate – personalized placemats

Make one for Mom's family and one for Dad's, print two-sided, laminate and you get two families to talk about.
